

REMARKS

The Applicants' representative wishes to thank Examiner Anderson for participating in a short interview concerning the restriction requirement on August 8, 2004. AS a result of that conversation, Applicants have cancelled all pending claims and have replaced them with new claims directed to the subject matter the Examiner has found to be elected.

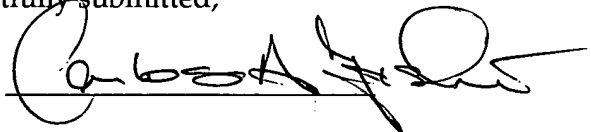

Applicants point out that the cancellation and rewriting of claims was not made in response to an issue relating to patentability, and no surrender of equivalents is intended as a result hereof. The non-elected subject matter will be presented in a subsequent divisional application.

Please charge our Deposit Account No. 01-0885 any amounts now due as a result of this communication. The Commissioner is hereby authorized to credit any overpayment, to Deposit Account No. 01-0885. A duplicate of this sheet is enclosed for that purpose.
